

# **PRESS KIT INCÊNDIO**

# A NEW MAGAZINE, THE SAME QUALITY

Having been a reference in the market for four decades, **Incêndio Magazine** has a new look and many new features.

From now on, the publication will be bimonthly being a special section of **Cipa Magazine**, with specialized information in the area of fire prevention and fighting.

With the inclusion of the section in Revista Cipa, we strengthen the synergy between the sectors of **Safety and Protection to the Worker and Rescue and Fire Prevention**, increasing the visibility of Incêndio among the readers and amplifying your brand in this magazine that is regarded as a market reference today.

To keep up with society's new reading habits, the magazine will have a modern news portal with more content, updated daily with the most relevant information in the sector.

**INCÊNDIO**

# OFFICIAL FAIR MEDIA

The **CIPA & Incêndio Magazine** is the official media of **FISP - International Security and Protection Fair**, and **Fire Show - International Fire Fair**, the main and largest events on security and protection, prevention and protection against fires in Latin America.

The two events bring together the latest technologies, products, services, experiences and the latest trends in accident prevention and worker health.
